Abiqua Drinking Gourd	Mound Size: 18" High x 36" Wide. Leaves are dark blue green; deeply cupped. Near white flowers on 2-foot high scapes in late June. Slow growth rate. American Hosta Growers Association 2014 Hosta of the Year.
Afterglow*	Mound Size: 24" High x 48" Wide. This features a striking yellow margin surrounding the large, green, heart-shaped leaves and forms an impressive upright mound in the landscape. In early summer, pale lavender, funnel-shaped flowers top the clump.
Angel Falls	Mound size: 16" High by 38" Wide. Cascading heart-shaped, green leaves with beautiful white centers. The green margins measure up to 2 inches wide with a lighter green area appearing where the margins and centers overlap. Light lavender flowers in midsummer.
Autumn Frost	Mound Size: 12" High x 24" Wide. The leaves emerge frosty blue with a bright yellow margin that lightens to creamy white during summer. Light lavender flowers in mid to late summer. Proven Winner.
Beyond Glory	Mound Size: 16" High x 40" Wide. Medium sized clump of heart-shaped leaves. Golden yellow leaves have attractive, very wide, dark green margins. The margins measure about 3" at the widest point. Pale lavender flowers appear above the clump in midsummer.
Big Daddy	Mound Size: 24" High x 36" Wide. Forms a dense clump of thick, chalky blue leaves that become puckered and cupped as the plant ages. Color deepens to blue-green in summer. Near-white flowers.
Blue Angel	Mound Size: 36" High x 48" Wide. Gigantic, heart-shaped, blue-green leaves are of heavy substance and are very slug resistant. Light lavender flowers are held attractively above the foliage on 48" scapes in midsummer
Blue Ivory	Mound Size: 16" High by 30" Wide. Medium sized hosta with thick, slug resistant foliage. In spring, the leaves display a wide, creamy white margin and blue center. By summer, the margins have brightened to white and the center deepens to blue-green. During the heat of late summer, a greenish blush may appear over portions of the margin. Lavender flowers in midsummer.
Blueberry Muffin	Mound size: 14" High x 36" Wide. Medium-sized mound of large, blue, rounded leaves that are rugose and puckered in unusual patterns. Late in the season, the foliage transitions to green. Attractive light mauve speckles appear on the petioles. Lavender flowers on proportional scapes just above the foliage in early summer.
Bridegroom*	Mound size: 16" High x 34" Wide. Leaves are shiny dark green that curl upward while the sides of the leaves turn downward. Rippled margins add to the beauty of this hosta. Purple bell shaped flowers appear in July. Moderate growth rate.
Brother Stefan	Mound Size: 20" High x 36" Wide. A large sized hosta with a moderate growth rate. Thick, heavily corrugated and puckered leaves have blue- green margins with a brilliant gold center. In spring, the margin may have a waxy coating making it appear more blue, and the center may be more chartreuse. Thick leaves exhibit slug resistance. Forms a wide, tall clump, making it the perfect focal point for a shade garden. Near-white flowers sit just above the foliage in late spring or early summer. American Hosta Growers Association 2017 Hosta of the Year.

Cathedral Windows	Mound Size: 19" High x 34" Wide. Large clump of rounded, bright gold leaves with very wide, dark green margins. As the leaves mature, they become dome-shaped. Large, fragrant, near-white flowers are produced well above the foliage in late summer.
Chief Sitting Bull*	Mound Size: 33" High by 75" wide. Deep green, corrugated, leaves are broadly ovate in shape good substance. Very pale lavender flowers from late June into mid-July on 41" scapes. Medium to slow growth rate.
Church Mouse	Mound Size: 8" High by 14" wide. This hosta can easily be distinguished by its coarsely wavy leaves. It forms a cute miniature clump of thick, blue-green to green leaves and matures into a small, compact mound that is just the right size for troughs or the front of the border. Perfectly proportioned scapes carry the lavender flowers in early summer.
Cool As A Cucumber	Mound Size: 28" High x 48" Wide. A large hosta that forms an incredibly showy, cascading clump of green and white variegated foliage. Its foliage is notably upright in youth, but quickly develops into a gracefully arching mound. The long, tapered, pointed leaves have bright green margins which jet towards the clear white center. In early summer, creamy white scapes carry light lavender flowers.
Curly Fries	Mound Size: 6" High x 16" Wide. This hosta forms an arching, wiggly clump of extremely rippled, narrow leaves. Position this hosta where it will receive morning sun and afternoon shade, as its chartreuse foliage will be brightest there. Mature plants will develop red speckled petioles. Lavender flowers top the clump in midsummer.
Dancing Queen	Mound Size: 18" High x 30" Wide. This hosta emerges bright yellow and remains yellow all season long. The large leaves have a prominent pie crust edge, adding even more pizzazz to this colorful hosta. In mid to late summer, the foliage lightens to soft yellow and the clump is topped with pale lavender flowers.
Designer Genes	Mound Size: 18" High x 12" Wide. Brilliant yellow leaves emerge from contrasting deep wine red shoots. It quickly grows to form a medium sized mound of bright yellow leaves with showy bright red petioles. Compared to other yellow hostas, this variety holds its coloring longer. Later in the season, the foliage mellows to more of a chartreuse green color. Tall, red scapes carry the purple flowers in late summer.
Diamonds Are Forever	Mound Size: 10" High x 24" Wide. A very showy hosta with green leaves and crisp white margins. The sharply contrasting variegation can be spotted from quite a distance and is even more eye-catching in late summer when the purple, bell-shaped flowers appear.
Dream Weaver	Mound Size: 18" High x 30" Wide. Large, distinctive leaves have very wide, blue-green margins and sharply contrasting creamy white centers. Leaves are nearly round and are corrugated. White flowers appear on 26" scapes in midsummer
Earth Angel*	Mound Size: 30" High x 40" Wide. Giant sized leaves have a yellow gold margin with a blue-green center. Near white flowers on 3-4' scapes from late June into mid-July. Medium growth rate.
Empress Wu	Mound size: 36-48" High x 60-72" Wide. Huge dark green, deeply veined leaves of good substance. Pale reddish violet flowers in early midsummer. Proven Winner.
First Frost*	Mound Size: 14" High x 36" Wide. Intense blue-green leaf center. In spring the leaves emerge with a gold margin then change to pure white later in the season. The leaves hold up well in the garden all season long until the "first frost". Light lavender flowers appear on 28 inch scapes in mid to late summer.

Guardian Angel*	Mound Size: 24" High x 36" Wide. Large, thick, blue-green leaves display a white center in early spring. By late spring, a unique green misting appears over the white center. Mature plants tend to keep their white center longer in the spring. Dense clusters of light lavender flowers are produced in midsummer. Makes a fantastic specimen plant, especially in spring when the variegation is most pronounced
Hadspen Blue*	Mound Size: 14" High x 24" Wide. Powdery steel blue leaves retain their color all summer long; one of the best blues ever developed. Thick, cupped, heavily textured leaves are slug resistant. Pale lavender flowers are displayed just above the foliage on 18" scapes in midsummer
Halcyon*	Mound Size: 18" High x 36" Wide. A popular mid-sized, blue hosta; leaves are frosty blue-green and pointed. A superb grower with thick leaves that demonstrate good slug resistance. Pale blue-violet flowers appear on 28" scapes in midsummer.
Half and Half*	Mound Size: 12" High x 19" Wide. Pure white center and dark green margins. A third light green color rests between the center and margin. This beautiful variegation remains throughout the whole season, making it a lovely specimen from start to finish. In mid to late summer, well-proportioned, white scapes carry near-white flowers above the mound of foliage.
Hans	Mound Size: 21" High x 32" Wide. Corrugated, puckered, and folded leaves, with ruffling at the base. Glaucous blue-green, rounded leaves have a showy wide, feathery, white center with green jetting between the center and margin. Pale lavender flowers appear in early to midsummer.
Happy Dayz	Mound Size: 18" High x 28" Wide. Leaves of good substance have yellow centers which brighten to parchment and margins that turn dark green in summer. The leaves of adult vernalized plants are more cupped at the base compared to its parent. Light lavender flowers in midsummer.
Happy Valley	Mound Size: 18" High x 49" Wide. Leaves have a dark green center with a creamy yellow to white margin. Pale purple flowers from late August to September on 24" scapes.
Heat Wave	Mound Size: 10-12" High x 16-18" Wide. This small to medium sized hosta is durable with thick, puckered leaves. In the spring, the leaves are chartreuse with wide, blue margins. In summer, the leaf center brightens to gold and the margins deepen to blue-green. Near-white flowers are produced in early to midsummer.
Hudson Bay	Mound Size: 24" High x 24" Wide. Wide, blue margin and apple green jetting contrast nicely with the creamy white center all season long. The leaves are of heavy substance, exhibiting good slug resistance in the landscape. This plant forms a large mound of attractive foliage topped with near-white flowers on white scapes in early summer. Proven Winner.
Humpback Whale	Mound Size: 36" High x 7 feet Wide. Massive, dome-shaped mound of blue-green, corrugated, heart-shaped leaves. Its color is bluest in the springtime. Blue-green scapes carry near-white, bell-shaped flowers in early summer.
Island Breeze	Mound Size: 12" High x 18" Wide. Wide, dark green margins stand in sharp contrast to the bright yellow centers in early spring. As summer approaches, the centers become more chartreuse when plants are grown in heavier shade or lighter yellow if they are grown in more sun. Showy red speckled petioles bleed up into the leaves. Dark lavender flowers appear on reddish green scapes in midsummer.

Lakeside Full Tide*	Mound Size: 24" High x 60" Wide. Leaves are shiny, medium to dark green; heavily rippled with good substance. Very pale lavender flowers in July. Medium to slow growth rate.
Lakeside Old Smokey	Mound Size: 18" High x 45" Wide. Large leaves are deep blue-green. Lavender flowers on 30" scapes in August. Medium growth rate.
Lettuce Salad*	Mound Size: 21" High x 46" Wide. Leaves are chartreuse changing to bright green. Pale lavender flowers on 24" scapes in July. Medium to fast growth rate.
Monsoon	Mound Size: 20" High x 48" Wide. Corrugated leaves have a gold center with a wavy, medium green margin; good substance. Pale lavender flowers on 28" scapes from mid-June into mid-July. Medium growth rate.
Northern Exposure*	Mound Size: 36" High x 66" Wide. Huge 13", broadly ovate leaves are blue-green with 2" wide, yellow-green margins that lighten to cream in summer. Leaves are corrugated and of thick substance, making them slug-resistant. White, tubular flowers appear on 42" scapes in early to midsummer.
Old Glory	Mound Size: 14" High x 24" Wide. Heart-shaped leaves have golden yellow centers and irregular, 1 inch wide, dark green margins. Light lavender flowers appear on 24" scapes in midsummer.
Paradigm	Mound Size: 20" High x 36" Wide. Beautiful gold leaves with streaked, blue-green margins; variegation pattern intensifies later in the spring. Leaves are of good substance and corrugated, making them slug-resistant. Clusters of very pale lavender flowers appear on 24" scapes in midsummer.
Pocketful of Sunshine	Mound Size: 9" High x 19" Wide. This cute small hosta grows quickly to form a compact clump of thick, rugose, distinctly cupped leaves that are yellow with broad, deep green margins at maturity. The centers of the leaves are chartreuse in spring and brighten as the season progresses. Light lavender flowers are produced in early to midsummer.
Prairie Sky*	Mound Size: 14" High x 36" Wide. Plant forms a tight clump of powdery blue, lightly cupped leaves of thick substance and it keeps its showy color all season long. Pale lavender flowers top the clump in mid to late summer.
School Mouse*	Mound Size: 8" High x 12" Wide. Thick, coarsely wavy leaves have blue-green to green centers and creamy yellow margins that holds its color consistently throughout the season. Proportionate scapes carry lavender flowers in early summer.
Seducer	Mound Size: 26" High x 36" Wide. Large sized hosta with broadly, ovate leaves. Leaves are dark green with a slightly ruffled, gold margin and a trace of white between the center and margin. The white coloring needs the summer heat to develop full coloration. Near-white, tubular flowers are produced from late summer through early fall. Proven Winner.
Waterslide Shadowland® Hostas	Mound Size: 14" High x 32" Wide. This beautifully ruffled hosta is a thrill to behold! Steel blue, rippled leaves hold their color all season long. Lavender flowers appear on proportionate flower scapes. Proven Winner.
Wheee! Shadowland® Hostas	Mound Size: 18" High x 28" Wide. This delightfully fun, extremely ruffled hosta makes a distinctive specimen in shade gardens and containers. Its green leaves have cream margins which widen as the plants mature, and the leaves are of good substance, making them more slug resistant. Light lavender flowers appear midsummer. Proven Winner.

<p>Wiggles and Squiggles</p>	<p>Mound Size: 8-10" High x 24" Wide. A unique looking hosta that lives up to its fun name! Bright yellow leaves are very long and thin and notable for their incredibly wavy margins. It forms a low, wide habit that really highlights the "wiggly" edges. Leaves will be more chartreuse green in more shade: for best yellow color, plant in a site with morning sun and afternoon shade. Lavender flowers.</p>
<p>Wishing Well*</p>	<p>Mound Size: 23" High x 38" Wide. This large hosta is prized for holding its beautiful blue color long into the season, even when planted in 2/3 day of sun. Its huge leaves emerge slowly, exhibiting a unique cupped, rippled, corrugated texture. They unfold slowly as they mature. Since they are of thick substance, the leaves are more slug resistant. This large hosta has a good growth rate compared to some other large blues. Near-white flowers begin to appear in midsummer and last into late summer.</p>
<p>Wu-La-La – Shadowland® Hostas</p>	<p>Mound Size: 36-48" High x 60" Wide. Blue-green leaves have striking apple-green margins, as well as good substance. This giant hosta may take about 5 years to reach full maturity and size. Violet flowers appear in early to midsummer. Proven Winner.</p>
