2020 Roses

Hybrid Tea - Large flowers generally borne one per stem, medium to tall in habit, long cutting stems.

Apricot Candy[™]

Classically formed blooms in shades of apricot and coral with gently ruffled petals. Moderately spicy fragrance. Soft green foliage.

Dick Clark[™] *

Flowers unfold as swirls of cream edged with vibrant cherry pink. The petals age to burgundy with the intensity of the sun, and finally finish deep red. Super-shiny green foliage and long cutting stems.

Let Freedom Ring[™]

A long stemmed rose with impeccable flower form and great vase life. Deep green foliage

Memorial Day *

Enormous, old-fashioned orchid pink flowers. Strong, classic old rose fragrance. Thrives on heat. Very disease resistant.

Olympiad[™] *

Bright, true-red flowers. Very vigorous, upright plant. Grey-green foliage.

Sugar Moon

Pointed buds spiral open to broad, pure-white petals. Foliage is black-green making a stunning contrast. Strong, long stems are good for cutting. Vigorous. Rebloomer. Tall, very upright and bushy habit. Strong spicy fragrance.

Shrub – Free-blooming plants with differing flower sizes and forms, broadly varying in mature size, full bushy attractive habit, usually good disease resistance and hardiness, mostly grown on their own roots.

Coral Knock Out[®] *

Bold orange to light coral colored petals. Young foliage is a bronze red that accentuates the bright blossom colors. Light tea scent.

Double Knock Out[®]

More petals and a more compact rounded habit than Knock Out Rose, but same deep cerise, cherry red blooms.

Pink Double Knock Out[®]

Compact, upright with large, fully double, fluorescent pink blossoms, glossy green foliage, heat tolerant and cold hardy.

Sunny Knock Out[®]

Medium, deep lasting yellow buds that open to white, single flowers with a lovely citrus fragrance. Dark green, semi-glossy foliage.

Tahitian Treasure[™]

Abundance of unique, deep salmon blooms. Slight fragrance. Dark green foliage. Disease resistant.

White Knock Out[®]

This compact landscape shrub produces 3-3½" pure white flowers with yellow centers and a lovely citrus fragrance. Dark green and burgundy foliage. Drought-tolerant.
